

Encinal High School Band Disneyland Information

Greetings and Salutations!

It is time for us to really come together as a group to support our wonderful Music program. Your student has signed up to attend the Disney "Hollywood Studios" Music Performance. Our band will play as the background pit band to a Disney movie. It is conducted by a professional conductor provided by Disney and recorded by Hollywood Studios sound engineers. This is a once in a lifetime opportunity (plus it looks great on college applications). Transporting this many students, staff and chaperones is no easy task - your support is very necessary and very appreciated in this endeavor. Please attend all the meetings - important information will be handed out and discussed. If English is a challenge, please bring your student for help with translation.

- ♫ **Trip Dates** - At the moment, we do not have an exact date as we are still waiting for the school to give us possible dates that do NOT conflict with AP, SAT and STAR testing. I had hoped to have a date by now.
- ♫ **Cost** - We will try to keep it at or under \$400 per student. This covers the cost of Disneyland entry, motel, bussing, equipment truck rental, chaperones. This does NOT include the cost of food or souvenirs. Continental breakfast is included with the motel fee; lunch, dinner and snacks are the responsibility of the student. The total amount must be paid no later 3 weeks before the trip dates. Payment arrangements are available if you contact Marie Long
- ♫ **Fundraising** - Please, please, please volunteer your time, ideas, items, whatever your student needs in order to make the planned fundraisers a success. Students can either individually fundraise or group fundraise. In some cases, students were able to fundraise their entire trip cost.
- ♫ **Chaperones** - WE NEED 6 CHAPERONES. Chaperones are responsible for supervising the kids before, during and after their two performances. They also oversee the loading and unloading of equipment. They make sure students are obeying band trip and Disney park rules at all times and will, if necessary, remove disruptive students. Chaperones do have off-duty times; however, chaperones are expected to stay in the Disney Resort grounds in case of emergency.

TO VOLUNTEER TO CHAPERONE, PLEASE E-MAIL encinalmusic@yahoo.com.

- ♫ **Equipment Truck Driver** - This person does not have to pay for their trip. Just like the students, this cost of Disneyland entry, motel, bussing, equipment truck rental is covered. This does NOT include the cost of food or souvenirs. The driver picks the truck up from the rental agency, makes note of the level of gas in the tank at that time, drives the truck down to Southern California, drives the truck to the performances, drives the truck back home and pays for any necessary gas. **Gas receipts turned in to the Boosters will be reimbursed. Thank you, Star Valdez, for volunteering to drive the truck!**
- ♫ **Emergency forms** - All students need to turn in the attached emergency contact form. No student will be allowed on the trip without this form. It will be duplicated and copies will be given to each chaperone in case of an emergency. After the trip is done, Marie will collect all the forms and destroy them as they contain confidential information.
- ♫ **Trip Cancellation** - In the event of a trip cancellation, all the fees that you turned in will be refunded to you. Fees turned in from Group fundraisers will remain in the band booster account for future use for your student's music needs. Your emergency form will be returned to you also.

As more information becomes available to me, I'll send it home to you. Thank you.

Marie Long
Encinal High Music Booster President
